Please briefly present the partner organisation.

Beasily is a creative organisation, founded and based in Germany. We work nationally and internationally with young people and those working creatively with young people through the arts to realise a range of music, theatre and creative engagement projects.

We aim to inspire, empower and enable artists young and old to be themselves and find pathways for creative expression and creativity.

Founded in 2012 Beasily has grown and developed through rich artistic collaborations which helped deliver and facilitate many different music and arts activities in different countries and create lasting connections and friendships across different continents.

Beasily: Be Empowered, Artistic, Strong, Inspired & Love Yourself!

What are the activities and experience of the organisation in the areas relevant for this application?

Today Beasily is a young adult led organisation supported by an experienced team of creative practitioners, youth workers and international trainers. We support and empower young people and young adults to realise proactive creative social action. We seek to find creative and different ways to promote civic engagement, responsible citizenship and social entrepreneurship. Our target group is young people 18-25 in or out of education and employment but resident in Germany.

We also offer support and professional development opportunities for artists actively working in realising creative opportunities with young people in Germany. Through our membership network for artists we create international learning and development opportunities. Offering professional support and guidance in working with young people.

What are the skills and expertise of key staff/persons involved in this application and on the competences and previous experience that they will bring to the project

Ollie Clubb is an international community music specialist with a vast amount of experience of working with children, young people and communities in playing music and co-creating songs with meaning. Ollie has lived and worked in Germany for nearly 20 years and worked in Ecuador teaching young people languages through singing and songwriting. Ollie brings music empathy in his approach of sharing knowledge and skills and empowering people to create without judgement.

The staff team supports young people to realise creative initiatives as well as supporting artists working with young people.

The youth board are ambitious and ready and willing to participate in a wide range of international learning opportunities.
